ENVIRONMENTAL POLICY

Sineco S.p.A. has decided to introduce, carry out, keep active and constantly improve an environmental management system, in accordance with the UNI EN ISO 14001:2015 standard.

Therefore, within the defined scope of its management system, Sineco S.p.A. commits to:

- Set and reviewing its environmental targets;
- Protecting the environment in which it operates and prevent pollution;
- Meeting its own compliance obligations;
- Pursuing the constant improvement of its management system to increase its environmental performance

Sineco S.p.A. communicates its environmental policy within its organization and makes it available to stakeholders.
